

## Auld Lang Syne: A Song of Friendship and Memories

Auld Lang Syne is a special song that people all around the world sing to celebrate the arrival of the New Year. But did you know that this song has a history that goes way back in time? The words "Auld Lang Syne" are Scottish, and they mean "old long since" or "long, long ago." The song is like a musical hug to remember good times and friends from the past.

The story of Auld Lang Syne begins with a Scottish poet named Robert Burns. He lived a long time ago, in the 18th century, and he loved to write poems and songs. One day, he heard an old man singing a traditional Scottish tune, and it gave him an idea. He wrote new words to fit the melody, and that's how Auld Lang Syne was born.

The song became popular in Scotland and soon traveled to other parts of the world. It became a tradition to sing it when the clock strikes midnight on New Year's Eve. People join hands, sway to the music, and sing the words that remind them of old friends and fond memories.
